*Courthouse and Carbon Building Improvement Project*

Carbon Building 1<sup>st</sup> Floor Proposed Furniture Plan

## Carbon Building 1<sup>st</sup> Floor Overview

Who is moving out?	Who is moving in?	Who is staying?
County Attorney	County Library (Rawlins Branch)	Public Health/Best Beginnings

### General Upgrades to the Carbon Building and Site

- New ground floor south entry off Buffalo Street.
- New south entry elevator to all three (3) floors.
- New south public entry stair to serve the first and second floors.
- Upgraded north parking lot and alley.
- A new north staff entry to the second floor.
- Address deficiencies in the restrooms, stair handrails (height and extension), elevator (cab size and controls), water coolers (height and operation) and door clearances to comply with the Americans with Disabilities Act (ADA).
- Enhance fire/life safety issues.
- Provide an emergency generator to serve life safety and standby electrical loads in building.
- New shared staff breakrooms.
- New staff restrooms located on the first and second floors.
- New shared meeting rooms on all floors.
- New or upgraded public restrooms on all floors.
- A reception station to serve and direct the second floor patrons.
- Allocating spaces based upon needs.

Current South Entry

Proposed New South Entry
